## MANY SOCIETIES IN SOCIAL MEETS

Presbyterians Plan Bazaar—  
Sunshine Club Entertains

Several social and business meetings of the various church societies and clubs were held during yesterday afternoon.

Plans were made for a bazaar to be held Dec. 19, at the regular business meeting of the Ladies' Aid society of the First Presbyterian church Wednesday afternoon at the home of Mrs. Charles Clark, Lincoln way East. It was also decided upon to give a supper Wednesday evening Oct. 23, in the church parlors. A very delightful time was had after the business session. Refreshments were served. The next meeting will be held in the afternoon of the first Wednesday in November.

The executive committee of the society will entertain the ladies of the Aid and their friends at a silver tea Tuesday afternoon, Oct. 7, at the home of Mrs. E. W. Keller, 919 Lincoln way East. The tea is to be a unique affair and a large attendance is desired.

The Woman's Home Missionary society of the First Methodist church also held a meeting. A splendid program was given. Mrs. J. R. Woodward was in charge.

### GOOD PICTURE AT LINCOLN.

The first of the new series of pictures to be released by World, co-starring Dorothy Green and Arthur Ashley, is called "The American Way," and it will be shown at the Lincoln theater today.

The dainty Betty Winthrop comes from the Long Island estate of the wealthy Van Allen in her runabout to buy in New York a cute little kitten that had taken her fancy in some shop a few days previous, and undoubtedly when she turned her into the park for a little spin, before returning to her home in the country, with the kitten in a covered hamper, she hadn't the slightest idea that in a few short minutes the kitten would make its escape and then be captured by the man whom she would later wed.

Realizing this, we began preparing for this event many weeks ago, in the face of the most adverse market conditions in mercantile history. With constantly increasing prices, we have gone to the manufacturers and wholesalers and obtained certain lines of merchandise at less than prevailing prices.
